4. Accompanying the Director were:

Donald Steininger, ADDS&T

Bruce Clarke, D/OSR

[redacted] OCI

John M. Maury, Legislative Counsel

5. Follow up action:

a. Senator Jackson asked that we supply for the record the high and low national estimate projections for 1977 and intervening years for Soviet ICBMs, SLBMs and bombers-- both in the event of a SALT agreement, and in the absence of a SALT agreement. He said he would like these figures as soon as possible. The Director said we would go right to work on it. OSR is following up.

b. Senator Jackson asked that we supply for the record information on the longest time lag we have encountered in identifying a new Soviet or Chinese strategic weapon since 1960. OSR is following up.

c. Senator Jackson asked that we supply for the record figures on the number of Soviet R&D missiles which had an operational capability. OSR is following up.
